

Mercer Island School 2010-2011 Academic Year Program

We are very excited to bring language to Mercer Island elementary schools! Our classes are designed to instill a love of language and culture in children. Our highly trained, dynamic, native-speaking teachers lead small classes in fun activities in the target language—Mandarin, Spanish or French—with a focus on communicating. It's a natural way to engage and learn.

CLASSES:

Through games and activities, music, movement and art, we learn practical, every-day language and communication skills. All classes are taught entirely in the target language and accommodate a range of levels. Each session we cover different thematic units, so there is always new material to learn. Classes are an hour long and offered before and after-school.

For K-2nd Graders:

We welcome brand new learners as well as those with language learning experience.

For 3rd-5th Graders - Beginner Plus and Intermediate-Advanced:

Children who are new to the language or who want to solidify their communication skills should choose a Beginner Plus class. There will be lots of new material for everyone. Children who have had previous exposure to the target language and are confident communicators should choose Intermediate-Advanced.

LOCATIONS:

We offer class options at each school and offer additional flexibility through busing. (Classes may be consolidated to meet minimum enrollment numbers.)

In the morning, busing is available from Island Park and West Mercer to all schools. In the morning there is also limited busing from Lakeridge to West Mercer. In the afternoons, busing is available to Island Park from all schools.

Detailed information on room location will be sent the week prior to classes beginning once we have received the information from the schools.

PRICING:

Our academic year program begins on October 1, 2010 and runs through June 6, 2011. Classes are held only on days when school is held. Please note: there are no classes the week of November 22 – November 26.
